Madrigals

2023-2024

I was a member of this chamber choir at Central that required an audition to get into the group of only 18. We had practice four times a week an hour before school started, from 7:40 to 8:30. We also had performances during and outside of school.

Arkansas Symphony Orchestra Choir in the 2023 Winter Concert

December 2023

Arkansas Governor's School

July 5th-August 1st 2023

This required a nomination to even be able to submit an application. The application involved two essays, an audition video, and a teacher recommendation. The actual program was residential and involved three different courses that were to be attended every week-day. There were events as well such as guest speakers and volunteer work.
